## Sharing Legacies - Alumni Reunion 2017 College of Nursing

**T**he Alumni Reunion of the College of Nursing was held on 14<sup>th</sup> of July 2017. The reunion began with the inaugural programme where the Director, Dr. Sunil Chandy presented the institution and offered a glimpse of where CMC stands at this point emphasizing on the ways in which the institution has made an impact and strengthened traditions over the years. During the business session the Dean and the President of Alumni Association, Dr. Selva Titus Chacko presented the College of Nursing. The Nursing Superintendent, Dr. Premila Lee presented a summary of recent nursing care initiatives, Nursing Care Quality

Indicators and the preparations towards Nursing Excellence.

The reunion provided a perfect platform for the students to meet with the alumni and learn from their experiences which created a special bond between those who had passed out of the portals of this institution and the students who are yet to establish themselves in the outside world. The students had an interesting and educative experience learning about the role played by the Alma Mater in the intellectual and professional development of the alumni. Truly, it was a memorable time of recollections and

## College of Nursing Alumni Reunion -2018 'Bonding Beyond Boundaries'

The College of Nursing Alumni Reunion was held on 6<sup>th</sup> July, 2018 and the theme for this year was 'Bonding Beyond Boundaries'. The inaugural function began with the welcome address by the Dean, Dr. Selva Titus Chacko and felicitations by the Nursing Superintendent, Dr. Premila Lee. The Director, Dr.J.V. Peter, spoke about the various achievements of the institution in terms of student admissions, patient care and infrastructure. He provided a glimpse into the various campuses and the future plans for the institution. He also expressed his gratitude for the generous contributions of the alumni.

This was followed by the presentation of the reunion agenda by Mrs. Anne Jarone, Secretary, Alumni association and vote of thanks by Mrs. Alice Sony, Deputy Dean.

The Business Session started with reports from the Dean and the Nursing Superintendent. During the

introductory session, the alumni who were working in other places expressed their gratitude towards this institution and the teachers who moulded them. It was indeed a joy to meet and connect with the former students, colleagues and teachers.

The alumni visited the old and new campuses and expressed the fact that the nostalgia remained despite the several changes. **The reunion was a good opportunity for the students to interact with the alumni, to learn valuable lessons from their experiences and to understand the rich legacy of this institution.**

On 7<sup>th</sup> July, 2018, the Alumni workshop on '*Quality and Safety in Patient Care: The Essence of Nursing*', was held. It was attended by over fifty alumni. The workshop was a good learning experience for the students and the participants.

Truly, the reunion was a great time of bonding between teachers, friends and classmates. Fond

## The College of Nursing Alumni Reunion - 2019 *Grow Engage Inspire*

First M.Sc. Nursing Batch (1968-69)

The College of Nursing Alumni Reunion was held on 5<sup>th</sup> July, 2019. Seven decades of graduates were gathered together, to reflect back at their days in their Alma Mater.

The inaugural programme commenced with an opening prayer by Rev. Rainard Pearson, Chaplain. The devotion was led by the B.Sc. Batch of 1984 - "The Women of Faith". Dr. Vathsala Sadan, Dean and the President of the alumni association, welcomed the homecoming alumni and Dr. J.V. Peter, Director, presented the institution.

During the business session, Dr. Vathsala Sadan Dean and Dr. Premila Lee, Nursing Superintendent, presented a summary of recent initiatives of the College and Nursing Services. Over the past years, nursing has witnessed tremendous and robust changes leading towards corridors of success and quality patient care. Known to be the pioneers of education and service, globally and extensively; nurses stand as stakeholders and stewards of health care. Fifty years of success,

## Mr. S. Sekar retires

**Mr. S. Sekar**, Senior Selection Grade Training Officer, Department of RUHSA retired on 10<sup>th</sup> June, 2019 after 40 years of dedicated service to the Institution. He joined RUHSA as a Rural Community Organizer in the year 1979 and was promoted to a Training Officer in the year 1988. Mr. Sekar played the role of a liaison between RUHSA and various Government and Non-Government Organizations in

organizing various community development programmes. He planned and coordinated regular and Ad-hoc training programmes on community development. He was instrumental in empowering the rural women to start the Self Help Groups (SHGs) with the help of RCO's and Women Development Corporation,

Chennai that became a movement with 430 SHGs with more than 7000 members in K.V. Kuppam block. He was a co-opted member from RUHSA to a society started for the handloom weavers for export of handloom garments. Mr. Sekar composed folk songs on different health issues that are used to educate rural population during health education programmes. He is blessed with two daughters Mrs. Maragathavalli and Mrs. Rajalakshmi, both of whom are working as school teachers. The CMC community thankfully acknowledges the committed service of Mr. Sekar and wishes him God's blessings in his retired life.

## The College of Nursing Alumni Reunion - 2019: *Grow Engage Inspire* Continued from Page 1

The alumni went down the memory lane and shared not just their experiences, but also the legacies of their teachers and mentors. **The students had the privilege of interacting with the B.Sc. Batch of 1984. The lifestories shared had created a special bonding between those who had passed out of the portals of this institution and the students who are yet to establish themselves in the world, outside.** They shared moments where they experienced a turning point in their own intellectual and professional development from their Alma Mater.

B.Sc. Nursing Batch of 1984

The turnout was very good this year! In attendance also were the spouses and children of some of the alumni. It was a rewarding moment to have the former teachers and tutors for the reunion. Truly, it was a great show of friendships, concern for each other, fond memories of those who could not attend, of teachers who taught, of friends and classmates, of the classrooms and hostel, of the hospital and the wards, the patients, and of CMC! Beyond all joy and celebration, the reunion was a day of thanksgiving.

## An update on Disaster Management by the Quality Cell and Safety Cell

Safety of patients and staff ranks high on the list of goals of the institution. With a view to prepare the staff to handle the emergencies, the **Safety Cell and Quality Management Cell** along with the respective departments have developed various emergency protocols, trained the staff and conducted drills in theatre, wards, OPD services, ICUs and laboratories. Specific drills like **child abduction emergency drill in paediatric wards, radiation emergency drill evacuating brachytherapy and radio nuclide patients** were also conducted.

Mock drills for theatres are conducted once in 6 months, zone wise. During this drill, a major fire was simulated and the entire communication and evacuation process were observed by the Quality / Safety team who assess the operating team, individuals and offices for their response times and adherence to the prescribed protocols. Following the drill, all the participants gathered in the recovery area for debriefing. The suggestion and recommendation are to be noted and implemented.

Ward mock drills are conducted weekly as per the schedule which consists of one cycle covering every ward in the main campus. During the exercise, emergency evacuation protocol and the first response to fire were emphasized since it is the crucial step to confine the hazard and minimize the risk. After the briefing, the staff are asked to enact on the protocol including managing critical, semi-critical and non-critical patients. Fire scenario is initiated and the staff are asked to respond to it. The response is observed and the issues noted during the drill are discussed during debriefing. The noted issues are intimated to the concerned departments for rectification and follow up. The support from Nursing Service in conducting the drill and the response of the fire team during the drill is appreciated.

The protocol for handling ICU emergencies, mob violence management and bomb threat management has been developed through the series of meeting conducted by Quality / Safety teams along with concerned medical, nursing, fire, security and engineering teams. The Department Quality Managers have undergone the "Training the trainers programme on mob violence and bomb threat management". The trained DQMs will in turn train the unit doctors. From mid August, the drills will commence for mob violence management. Special training on the same for security team was also conducted.

## College of Nursing - Virtual Alumni Meet - 2021

The College of Nursing Alumni reunion was held virtually on 23<sup>rd</sup> January 2021 via zoom. This alumni meet was organised amidst the chaos of COVID-19 pandemic to reunite with those near and far, to reflect and to encourage each other. The programme commenced with a prayer song by the staff and students, followed by devotion by Rev. Aruldas reflecting on the abundant grace of our almighty God in each of our lives.

The Dean and President of the Alumni Association gave a warm welcome to those gathered for the occasion. Dr. J.V. Peter, our Director presented a brief report of the institutional activities of the year. He also gave a bird's eye view of the challenges faced by

the institution during the pandemic and how this huge herculean task was tackled by the commitment and cooperation of staffs at all levels. Dr. Vathsala Sadan thereafter gave a complete and thorough picture of the activities in College. She also elaborated on how students education was continued through virtual classes.

Dr. Bala Seetharaman, Nursing Superintendent presented a report on extension of services as part of covid management and other facilities for patient care. She also informed on how nursing fraternity contributed as frontline workers during this unprecedented crises. This meeting was attended by 756 alumni, 574 were extramural from all over the world and 182 were intra mural alumni.

There was a brief interval during this session where alumni actively participated in 'Kahoot' which had questions refreshing the memory lane of college. Thereafter the business session began with homage paid to some of our dear alumni who had departed from us. The president presented the general body meeting minutes followed by the secretary and treasurer's report. There were nominations held for those who have successfully completed their term of service in the alumni office. **There was an interesting break out session that was organised as groups with facilitators to discuss on pertinent issues that were common to all. There was a special bonding that was evident while exploring the questions together as groups. It was a rewarding experience to have former teachers and leaders sharing their memories and experiences to motivate the group.** The meeting came to a close with a light music and dance by our students followed by benediction and prayer. It was indeed a refreshing moment of joy and celebration and thanksgiving.
